# PRESIDENT'S LETTER

## June 2011 President's Letter

The June car show is June 11<sup>th</sup> and we're down to the wire. We still need volunteers, so if you want to help, contact Joe Anelle or myself and we'll get you set up. Let's all hope for good weather, a big turnout and a big thanks to Joe for chairing this. I'd also like to thank Greg and Janet Timmerberg for the Club invite to their pool party last Saturday and the Cedar Lake Cellars road run they put together on Sunday, (they even brought six guests to the run). Everyone I've talked with had a great time at both. Thanks again Greg and Janet.

We've had some great weather lately and I've been seeing a lot of Corvettes on the road. Please remember the heat, all that goes with it and drive safe.

Chris Reitz spoke for the Charity Committee and reported the USO will have several representatives at the car show.

Judy Brady, Social Committee, explained that a signup sheet for the Cedar Lake road run on Sunday, June 5, was being passed to club members. The participants are leaving from the QT on Bryan Road at 12:30. Sean Leary stated that the parking lot was not yet paved but that it was hard packed.

Les Waganer announced a Car Cruise at JJ's Restaurant in O'Fallon on Sunday, June 26 from 11:00 am to 4:00 pm, at 200 Fort Zumwalt Square on the south side of Veterans Memorial Parkway. There is no registration fee, no admission fee and no planned awards, and the restaurant is planning to have an outdoor BBQ to serve patrons of the show. Les suggested that the June Birthday celebration be in conjunction with the Car Cruise and free meals were being offered to those celebrating a birthday. Members participating can meet at the TR Hughes QT just south of I-70 at 10:30 am. Cars would caravan along Veterans Memorial to the Kmart parking lot (and vacated Shop N Save), right off K and meet up with Western members at that point. Around 10:45, members would go on to JJ's as Mike at JJ's would like to park participants around 11:00 am. Les will email members with the details.
