PRESIDENT'S LETTER

December 2016

Can you believe Christmas is quickly approaching and 2017 is almost upon us. Where did the year go? Looking back, 2016 was a great year! The car show was a huge success as we raised money to support the USO, our elected charity. The annual picnic was at a new location and enjoyed by all those in attendance. Several cars made a run to Bowling Green, KY. We toured the museum and the plant where all corvettes are built. We also found some great food and fellowship with each other along the way. The Auto Cross had beautiful weather on both days. This event helped raise money for our Christmas party that we enjoyed last weekend. These are just a few examples of the fun we have had this past year.

We welcomed several new members and sadly lost our sponsor, Bowling Green Chevrolet, Robert and Susan Gilbreath. They always went above and beyond what was needed to help make the club more successful. I want to give them a sincere and heartfelt "Thank You" from the club and myself. Fortunately, they are going to remain members of the club and have some fun along with the rest of us.

We have some fun and interesting things planned for 2017 and I would encourage everyone to get involved. If you have any suggestions, please let us know as we are always looking for new adventures. In closing, I hope you have had an enjoyable time with the club and I look forward to next year. Detta and I want to wish you and your families a Very Merry Christmas and Safe & Happy New Year!

Sincerely,

Ron Nelson, President

Final events were December 10th in Brooksville, FL.

The NCCC 14 event autocross near Nashville, TN scheduled for December 10th and 11th were cancelled by the host club. (Only the "Top 15" Men, Women, and Clubs get recognized at the following years National Convention)
