PRESIDENT'S LETTER

January 2016 President's Letter

I would like to thank everyone who attended the meeting. We are hosting the hospitality room on April 22nd for the NCCC Governor's meeting. A committee was started for this event; more information will be forthcoming at the February club meeting. I also encourage everyone to get involved with our upcoming Car Show. Even if you can only help for a couple of hours, it will be greatly appreciated, it all benefits the USO. I look forward to seeing everyone in February, at the new club meeting place, Old Hickory Golf Club, 1 Dye Road, St. Peters, MO.

Until then,
Ron Nelson, President

President's Remarks: Ron Nelson welcomed everyone back for 2016. He hoped everyone had a Merry Christmas and a Happy New Year. Ron stated that he is excited for the upcoming year

and we have many things already planned for 2016. The first of which is a new permanent meeting place starting with the February Meeting. The new meeting site is Old Hickory Golf Club, 1 Dye Club Drive, St. Peters, MO.

Old Business:

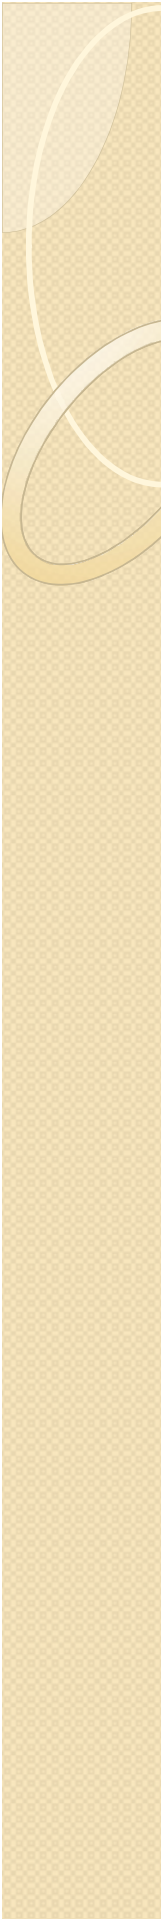

An award was presented to Lynda Rothweil for 4th place in club points for 2015.

Voting: We have some open positions after the election in November and need to vote for an interim Vice President and one Board of Director. Mike Spathelf as agreed to step forward as Vice President and Jim Wortkoetter as a Director. Show of hands for Mike Spathelf: Majority of hands for Mike Spathelf. Show of hands for Jim Wortkoetter: Majority of hands for Jim Wortkoetter. Welcome Mike and Jim as new Officer and Board member.

Generator: Bob Lamb will bring up this project during his Trailer Report during Committee Reports.

New Business:

Meeting Place: Many club officers, Board of Directors as well as members met with the management staff of Old Hickory Golf Club and toured their facility on December 10, 2015. It was decided that starting with the February meeting, this would be our new meeting location. When a new location is chosen, we need to change the standing rules to indicate the change. Detta Nelson makes a motion to change the Standing Rules (7.1) to indicate our new permanent meeting place. Noel Wilson seconds the motion. Show of hands motion passes.

Back Pack Program: Brad Statler indicates that he is not sure we are still donating to Wentzville, only. We will research this and get back to the original Back Pack Program. Brian Kleemeyer made a proposal to make more “roasting sticks”. He indicated that he would donate the proceeds (after material cost) to the Back Pack Program. Tonight he is pleased to announce that he is donating \$126.00.

Treasurer’s/Membership: Bob Isermann

See attached treasurers report. We will be receiving more money due to the sale of our cookbooks.

Review of Christmas Party costs (included in the report).

We currently have 101 members. This year we are encouraging all members to support our own car show. We have a member in Knoxville, TN and he has made it to our last two car shows in Bowling Green.

Governor’s Report: Tom Reitz

See Report.

2/27 NCCC Governor’s Meeting at West Port Plaza

4/22 Route 66 Corvette Club is hosting the Friday night Hospitality Room for the next day’s meeting at the Westport Sheraton. The room opens at 7:30 p.m. for the attendees, so we will need to have the food arrive at 6:30 to set up for their arrival. We will need a small committee to organize this event. We will need to provide finger type foods; small sandwiches, veggie trays, fruit trays, chips, dips, cookies and or cakes. The Sergeant at Arms may be able to give us an idea of quantities needed for the event.

Our own Chris Reitz has been elected as the National NCCC Secretary for a two-year term. Congratulations Chris!!

NCCC Convention will be held 7/18-22 in Omaha, NE. Registration begins in February and it can be completed on line. Early registration usually allows for the first tier hotels availability.

January 15 – February 15 permanent racing number forms available.

On Memorial Day weekend, there will be racing at the National Corvette Museum in Bowling Green, KY.

Tom Reitz handed out 2014 racing patches to Brian Kleemeyer, Tom Reitz, Tammie Kleemeyer, and Chris Reitz

2015 racing stats will be announced at the next meeting

9/17-9/18 is the Route 66 Auto Cross

Vice Presidents Report: Ron Nelson
Committee Reports;

Sponsorship: Noel Wilson

Noel handed the floor to our sponsor and member Robert Gilbreath of Bowling Green Chevrolet and Buick. Robert announced that Rich Weinhold accepted delivery of new Z06 at the dealership recently and John and Brenda Heidenreich's new Corvette has been allocated. Robert presented our club with a donation of \$2,500.00 for 2016. Ron Nelson reported the remodel of the dealership at Bowling Green and suggested everyone take a drive up there to see it.

By-Laws: Mardee Beckman: None

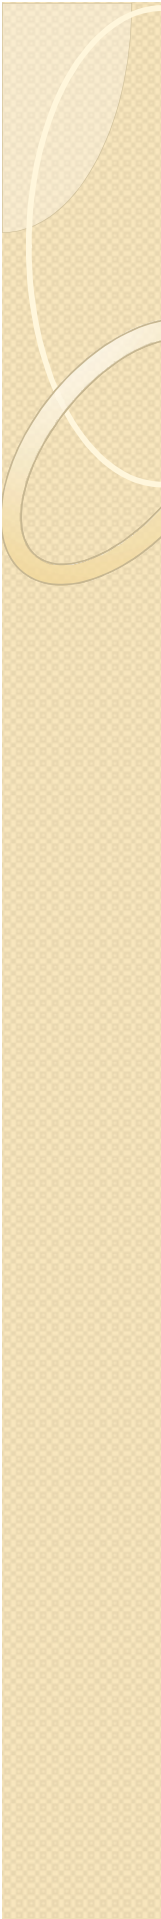

Website: Joe Anelle

The website needs the Club car show flyer, which was added during the meeting.

Charity: Jim and Deb Wortkoetter: None

Car Show: Ron Reynolds

Mark your calendars for 5/21/16 and May 20, 2017, Car Show dates. All club Governors are being sent a copy of the car show flyer. Our main goal is to have more club members participate in this event. We will need volunteers to work, even for a short time. Items for goody bags are being requested at this time from various vendors. We are trying to build our car show, we will have a family friendly event to include: face painting, clowns, and little cars from the Shriners. Pam Leary spoke to Cornerstone Auto body about a booth. We would like to have as much participation as a club as we have when we go to Hannibal! Raffles and silent auction items will be needed as well. Remember all profits go to the MO USO. We have donated approximately \$14,000 to \$16,000 through the years.

Chris Reitz indicates that the NCCC uses this information to determine a charity nationally. This year no car will be raffled at the convention. A new national charity is being researched at this time. It has been the National Kidney Foundation. Chris did remind us that there is a NCCC scholarship fund and ten to fifteen \$1000 scholarships are awarded annually.

Car Show Events: Randy Moore
4/9 Columbia Cup, Stoney Creek Inn, Columbia, MO

Technical: Tom Reitz
None

Trailer: Bob Lamb
The trailer is in good shape and a safety check will be performed in April, before the trailer is needed for the car show. We also have an open project of a needed generator. We have had a problem at the last two Auto Cross events that required us to borrow a generator. We have parameters of wattage, clean power and low noise. We are researching and plan to spend \$1200 or less. Bob Ingram has volunteered to get us a quote on a generator.

Social: Judy Brady

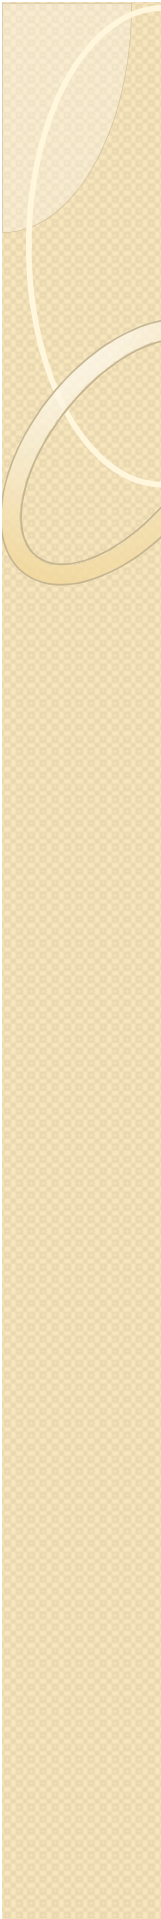

We have Rock n' Rob booked already for our 2016 Christmas party. (Note: Our club did not pay for dinner for the band, it was offered and they declined. Another savings!)

2/3 Social Committee Meeting Gettemeier's (the old Caleco's) 5:30 p.m.

2/12 Troy Sweetheart Dinner \$60.00 per couple. Dinner, beer, set-ups included. You can bring your own liquor and wine. The band is Butch Wax and the Hollywoods. See Detta Nelson if you're interested. This event sells out quickly.

2/27 Poker Run more info at the February Meeting.

4/23 Fox Theatre Tour – Mike Spathelf
A meal is being planned at a nearby restaurant.

Bob Isermann and John Heidenreich are planning a road run to Bowling Green, KY to include the museum and a GM Plant tour. Because the plant does not work week-ends the run will be scheduled on a Thursday and Friday. They are looking at 5/12-13. The Drury Inn is 15 minutes from the plant and have a Corvette America rate of \$99.99 per night. The Drury offers a very nice breakfast, and snacks in the evening as well as a discounted bar. If anyone has other dates that might be better, please see Bob I.

John Morak wonders why we are not a member of the Corvette Museum. It does offer perks. If we are members, would the museum set up a booth at our car show? They have at Columbia and Hannibal. This seems to be worth looking into. Website shows \$250.00 annual membership fee per club with a lifetime membership cost of \$2500.00. this should be discussed next month.

Announcements:

Sean Leary forwarded information regarding a 2006 Corvette for sale in Cottleville. See Ron Nelson if interested.

Bob Isermann had new business cards. Please keep some in your glove box or with you to hand out if the need arises.

Bob Isermann gave our newest member, Howard Sardis, his membership packet. Howard's car is a 1975 silver convertible.

50/50: Greg Fultz

Bob Ingram wins \$61.00 with \$61.00 to the club.

Motion to adjourn by Robert Gilbreath and seconded by Chad Vanlandingham at 8:30 p.m.

Respectfully submitted,

Nancy Streib

Transition and Board Meeting Minutes

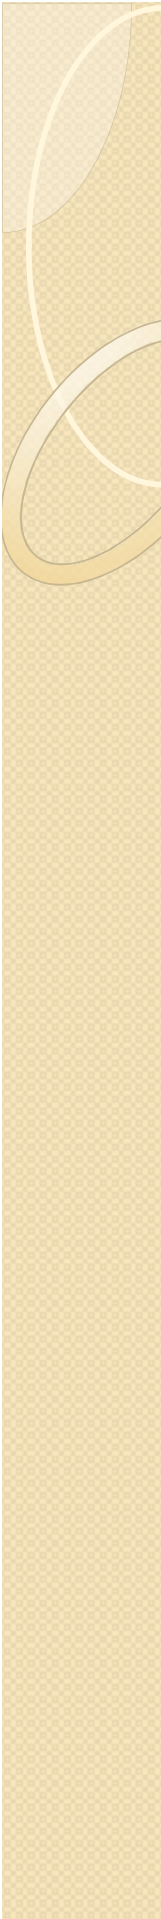

O'Leary Home
12/12/2015

Attendees:

Beckmann, Mardee	Nelson, Ron
Brady, Judy	Spathelf, Mike
Isermann, Bob	Streib, Nancy
Lamb, Bob	Waganer, Les
Lambright, Kerry	Wilson, Noel
Leary, Sean	Wortkoetter, Jim

The meeting was called to order by Sean Leary at 6:25 p.m.

Change of venue: We have found another location for our meeting and will meet there for the first time at the February meeting. Ron Nelson will be the contact person with our new venue, Old Hickory Golf Club on Mid Rivers Mall Dr. We were shown a lower level meeting room and this should be the club meeting room most of the time. If that room would be booked, they will always have another room for us and we will be notified of the change of room. The manager was very eager, inviting and willing to work with us. The fee for the room is "zero". We will have the entire menu to choose from each meeting night. Individual checks will be issued and no additional charges per check for a room fee. Bob Isermann noted that the website needs to be changed indicating our new meeting space and he will contact Joe Anelle. Bob Isermann also requested new club business cards with all the new information. It was decided by the board to order a quantity of 1000. The question of a membership vote for change of venue was asked, but according to the by-laws, that is not required.

By-laws: Mardee Beckman indicates that we should always have the newest version of the documents. If you have a version older than 3 months, please reprint from the internet. As we have new officers and board members, she indicates that you read the 3 documents, especially specific to your position.

Christmas Party Totals: Bob Isermann. The bill indicates we paid for 63 people, with a total of \$3477.00 (not the final bill). Judy Brady has booked Rock n' Rob Band for our Christmas Party in 2016.

Sean Leary copied many of his notes for Ron Nelson on a thumb drive, indicating the important aspects of the Presidents' position.

We discussed the Vice Presidents role, for Mike Spathelf. The VP runs the board meetings and keeps the point totals. Points arrive by paper and e-mail. 100% award will be true. No make-ups! Mary Morak will request a review of correct name spelling for the awards. We had some issues this time. Member of the year award is not really yearly, once every 3 years is the norm.

Sean Leary volunteers to handle the election process. We will need ballots for the February meeting for the vote for interim VP and BoD member.

Car Show: Kerry Lambright announced that we will have a new car show PR person this year, Bob Isermann. Mike Spathelf has looked into having a driving simulator at the car show, but it is very costly. \$5,000, because of our location in the St. Louis area. We will check with GM or NCCC to see if they have one available.

Please note Ron Nelson's cell number: 636-685-6015

Just a reminder to all that our membership fluctuates and that is not a worry.

Meeting adjourned and 7:38 p.m.

Respectfully submitted,

Nancy Streib
