PRESIDENT'S LETTER

October 2017

It was great seeing each and every one of you who were able to make it to this month's meeting. I want to give an early "Congratulations" to Bob Isermann and Rich Weinhold for their new positions. I think they will both do a fantastic job.

I want to remind you about the events we have coming up this month, Fallen Hero's Ride on the 14th, Labadie Chili Cook-off on the 15th, and Fiddlesticks with Boone Trail on the 22nd. A new addition is from the St. Louis C3 Sharks, they are having a Trunk N Treat at Brookdale Senior Living Facility on October 29th, from 2-4 pm. Some members participated in this last year and had a great time.

We will have Club elections at the November meeting, you must be present to vote. Thank you to each of you who are running this year, the more people that get involved, the better the Club becomes. I hope everyone has a wonderful rest of October and a Happy Halloween. I look forward to seeing you at the November meeting.

Ron Nelson, President

Treasurer/Membership Report: Bob Isermann

Autocross financials including income and expenses were discussed. Our profit was approximately \$88.00 down from 2016, but expenses including the venue were up. That being said, we made a very good profit of \$3,758.99.

Just a reminder that Membership Dues were due by the end of October's meeting, \$50 for a single and \$85 for a couple.

Governor's Report: Tom Reitz

Old Business:

1. Autocross wrap up: Tom Reitz

The annual autocross held at The Family Arena was a success! We had 58 drivers on Saturday and 60 drivers on Sunday. We offered 14 events each day and that is profitable. The racers-point chasers liked our high-quality events.

T-shirts are available in select sizes for purchase at \$10.00 each.

Bob Isermann had noticed that the expenses for the event had increased, but we had to purchase two more sanctions as we now have 14 events instead of 12. Also, the timing fees increased because of those two added events. More financial info during Bob I's financial report.

The 2018 autocross is in the planning stages. We are trying to move our event to September 15 and 16, 2018 due to the conflict with Funfest. We have a verbal hold on those dates with the Family Arena and will need confirmation by the November Governor's Meeting on 11/10/2017.

A question was posed on the numbers of racers we had. Tom answered that we are on the high end for numbers. Some autocross races have only 30 or so racers.

Please note we were short on corner workers and could have used more help from the club.

2. Fallen Hero's Ride on 10/14/2017: Orville Caupp

We have 35 cars signed up for the ride from our club, Boone Trail and STL Corvette Clubs. We will have a St. Louis County Police escort all the way to Alton, IL. We are trying to obtain the registration forms prior to the event to help speed things up. We will meet at Fast Lane in St. Charles at 9:30 a.m. for a 10:00 a.m. departure.

3. Car Show: Orville Caupp

We have not yet formed committees for our May 2018 car show. We are waiting until the St. Peters Aldermanic meeting on 10/26/17 for the approval on the use of their parking lot at Mid Rivers Mall.

New Business: Mike Spathelf

USO visit by Lynda Rothweil

Lynda visited the USO during a recent visit to the airport. She stopped in and was greeted by Lori with the USO. A two-cent tour was given. Lynda was so impressed with the area available for the military and their families. Some of the things she mentioned were: a TV area with Barcaloungers, many places for gear to be stowed, hot food being served at no charge, many necessities available if one forgot for instance shaving cream, toothbrush or paste, a private sleeping room, ironing or mending possibilities, and a play area with a crib for children. This was such a pleasant experience and it was good to see what we are supporting first hand.

There is a technical issue which will require money. The website we use is very old. The website company we use has offered a one-time lifetime security update to bring our website in compliance with the security issues that are found today and in the future. The cost is \$197.00.

Harold Loyd made a motion to purchase the security certificate for our website. Seconded by Lynda Rothweil.

No discussion, show of hands, motion carried.

By-laws: Noel Wilson

The Standing Rules are undergoing some changes and it was proposed that we add the 3-bid RFQ (Request for Quote) procedure to the other changes sent recently by e-mail. However, we have experienced too many phone calls, comments and changes to vote on this now. We will table this section until January or February 2018.

Although, we would like committees to use this process for purchases over \$500 and report back to us how it worked.

The Standing Rule Provisions with changes were sent by e-mail earlier this week. We voted on the changes as a package to accept the changes as sent or not.

The Constitution, By-laws and Standing Rules now all look the same, showing the revision dates and page numbers.

Noel Wilson made a motion to accept the changes in the Standing Rules as sent to all members by e-mail. Greg Fultz second the motion.

Discussion: Bob Koenig questioned the Technical Committee as unassigned. Is this computer technical? Answer: This is reference to cars. If one has a car problem, Tom Reitz is the committee of one and he will help find solution with the help of knowledgeable contacts. Secondly, the Autocross Committee is also a committee of one, Tom Reitz. The technical department at the Autocross has help from Jeff Craig and Brian Kleemeyer.

Show of hands, motion carried.

- 10/15 Labadie Chili Cook-off Road Run and winery or dessert finale. Meet at the east commuter parking lot Hwy 94 and I64/40 at 11:30am.
- 10/22 Road Run with Boone Trail to Fiddlestyx in Hannibal, MO
- 11/2 Social Committee Meeting prior to the club meeting. We would like each member to think of an event and host/lead the club for that event.
- Judy Brady has heard that some members miss the Birthday Bash events. It was suggested that the Birthday person(s) choose a place for lunch, pick a day and make the reservation for about 20 people. (Using past numbers.) Sundays at 11:30 a.m. tend to work well for restaurants. Although we could give a Saturday afternoon a try as well.
- Bob Isermann mentioned a proposed Road Run trip that seemed to disappear, the Jefferson City State Penitentiary tour. We look forward to trying this event. Jeff and Patty Craig, as well as, Brian and Tammie Kleemeyer took the ghost tour at night on a Friday the 13th with a full moon shining. 40-45 people can take a tour. Sounds like FUN!

Club Car Show: Orville Caupp

Other Car Show Events: Randy Moore

10/21 Blake Snyder Memorial Car Show at Mehlville High School. More info is on the website. There are already approximately 300 cars signed up.

One more Autocross question: Did everyone like the indoor bathroom facilities as compared to the Porta-Jons? A resounding "YES"! The ticketing area could have been used for rain and/or heat as well. It is also a tornado shelter.

Trailer: Bob Lamb

Thank you to all who helped after the Autocross to put items away! The trailer is in good shape!

Noel Wilson forgot to say one thing for Bob Lamb in his By-Laws report. A big thank-you to Lynda Rothweil for help with technical issues as all the documents were reformatted to be the same!

Tom Reitz assigned Noel Wilson to the weather for the Autocross and the outcome was the best. As it seemed to rain all around the event, none fell on the workers or racers!

Hello Everyone,

It is always good hearing from club members that had a great weekend doing things with their cars.

I received this note from Tim Masten, our member from Knoxville, TN. What a great weekend he had and something he did with his Dad that he will never forget.

By the way, Tim lives a little ways from us, but he has been to every car show we've had since he joined 3 years ago. He also gave us a very nice car show banner that we post each year.

Here it is:

Well I'm back in Tennessee after a fun weekend. Went to the Route 66 cruise-in, (BTW, Tim is all about Route 66. He joined our club because of our club name. :)) in Springfield Friday night and the Central Illinois Corvette Club let me get in with them to be the first group leading the cruise. They say there were about 2000 cars for the cruise in. Even though the temperature was 91° or 92° it was still fun.

My dad's 90th celebration on Sunday in Mattoon was very nice. I drove my dad to the church in my 66 Corvette and got to visit with my siblings from Kansas, Florida and Illinois and also saw my mom that my sister picked her up from the nursing home. The church that my parents go to did up the celebration very well and our family was very pleased and grateful.

This is what it's all about, don't you think? Getting out and having FUN with our cars. I noticed Tim using that word a couple times in his email.

Thanks, Tim, for sharing this. I know you will never forget those moments.
