# PRESIDENT'S LETTER

April 2018

I hope everyone had a Happy Easter! It always lets you know that spring is here. Well, almost here since we have had some strange winter weather in April. But, as I am writing this, the temperature is to get up to 70. That is top-down time.

Everyone knows that the Route 66 Corvette Club is an outstanding car club. It is understandable; we have great members. Not only as members, but we all have formed great friendships along the way. If you stop and think about our club, you will notice what a diverse group we are. We have different interests; however, the core of our group still has one common denominator- we all come back together as a solid club.

As I mentioned before, our members have various passions. There are some of us who enjoy cleaning and maintaining our cars either for our next car show or another show in the area. We have those who enjoy beating the time clock as they look forward to our autocross each year. As with car shows, we have members who will travel many miles each weekend following the autocross circuit. Then we have those who enjoy road runs, rallies, and eating out. Of course, we also have those who have a passion which crosses over multiple areas.

It is good that we have members who are involved in each of their passions. That is what makes a club exciting. It's just that we all have different areas of enjoyment. What is outstanding about our club is that we provide the opportunities so that every member has the chance to fulfill what interests them.

Our club is always working hard on making it an opportunity that cover each of our members' passion.

# PRESIDENT'S LETTER CONTINUED

I want to say thank you to those who pass on ideas for events for our club. We are all ears. Remember, if you visit a location or go out to eat, keep our club in mind. If it looks like a place that you may think we all might enjoy, just drop Detta Nelson or me an email letting us know. You may find it on our club calendar soon.

Don't forget to check our club's calendar for events. We have the Stumpy's Distillery run on Sunday the 15th, Scavenger Hunt on the 22th, and the April Birthday Bash on the 29th.

Thank you, everyone, for being a member of our club. When out there driving around, always be safe.

"We join for the cars, and we stay for the people."

Bob Isermann  
President

## President's Remarks: Bob Isermann

Thanks to all the club members that made the month of March a fun experience. This would be Nancy for planning the Birthday Bash, Ron Reynolds for the Shriner Circus event, and Tom Reitz for the little Egypt Rally. Tom, Chris and I had a good time attending the Region Party in Chicago.

Congratulations to our club's newest newlyweds, Roger Reinhardt and Teresa Lindemann. What a better place for Corvette enthusiasts to be wed, Spring Mountain Ranch in Pahrump, NV.

Enjoy the evening with friends and members during dinner and let's have a good meeting!

Updates in wording are needed in three areas of the Constitution. All prior wording and new wording have been sent to the club one week prior to the meeting for review and comments. These changes involve Articles XI, XII and XIII.

We will be voting on the following new wording:

**Article XI**

Recommended changes to the Route 66 Corvette Club Constitution and/or Bylaws shall be presented to all voting members a minimum of one week prior to the voting meeting. ## **Membership: Bob Lamb / Nancy Streib**

With the addition of 3 new members, our total membership is currently 91.

Welcome to our new members, Greg and Linda Blattner and Peggy Craig.

## **Website: Joe Anelle (Theresa Lindemann)**

Maintenance on the website is scheduled for this weekend. Do not worry if the website is not working properly. The site will be up soon.

It has been announced that there will be no NCCC website completion this year. Our club has done so well in this competition that we all wish we could compete again this year.

## **Charity: Howard Sardis**

We have not moved forward on additional charities suggested for donations from our club: Crossroads Clinic and Wings of Hope. It will be addressed at a later date.

A promotional dry erase check has been ordered and will be ready soon. The size is 48 x 22. Great for photographs with our charities. Ron Reynolds asks if we can use it for the USO donation. It is dry erase so we can use it for any donation we need to present.

## **Social: Detta Nelson**

The food project is still Pal Pax. This program runs in the summers too. The principals and teachers deliver food to families in need. The 50/50 proceeds are converted to food and donated to Pal Pax to keep the program working. Please continue to support our food program for kids in need.
