# PRESIDENT'S LETTER

May 2019

Let's get right to it. First of all, I know this Road Notes is quite late this month and I usually talked about the previous month since we are not far enough into the current month. But this time we had various events in May already. So let me stop here and say, WHAT A GREAT CAR SHOW WE HAD!! Do you all agree? I look at this show as a quality show. We may not have had as many cars as last year, short by a few, but the way it operated was outstanding. Why is that? First of all, we had so many strategic players in various locations doing an excellent job. I want to start throwing names out here; however, if I do, I'm afraid I might miss someone. I have Orville and Sean, the chair and co-chair, will give us a complete rundown on the event and they will name the players that made our car show a success. There are many. If you have never been involved in the process of putting a car show together, it's hard work, but very satisfying when you see it executed. Rich will give us the final numbers at the June meeting. One last thing, thanks to everyone that brought out their cars. Remember, all proceeds go to the USO of Missouri.

Let me say the rain was rough on us in May. Thank goodness it didn't rain on our car show. But, Mike Hicks put together a nice run down through the backroads to Hermann, to the Tin Mill Steak House. It rained so hard, Mike had three cars show up. It was still a fun ride. I think he may be redoing this run later in the year. There was also a car show in Ste. Genevieve that we had a few cars attend. It was a weather issue again.

Here are a few additional notes on things coming up.

- Poage has been doing an excellent job of bringing new members to our club. We also had a couple of members lately that purchased cars/trucks from Jim Joyce at Poage. Our contact is now Jim Joyce. It's not that Joel or Randy are gone, it is called a little delegating going on. They didn't go anywhere.

- You may have noticed that I have not had any information on the agenda involving donations. I have been waiting for the car show to be over due to the amount of time everyone has been working on making it a success. Now since it is over, Bill Mitchell will be setting up a Board Meeting to discuss this and other topics soon. I hope we have information at our July meeting.

# PRESIDENT'S LETTER

- Bob Lamb and his team have done an outstanding job in how we handle rule changes and make the process much easier. I understand that some rules need to be adjusted every so often, but let's keep in mind if we have to change something, let's make the process as simple as possible. I just read a suggested rule change that was complicated enough, that I am asking Bob Lamb to remove it from any discussion at the June meeting. Remember that Board Meeting was telling you about earlier, I would like them to discuss it before bringing it to the club.

We have a great club! We wouldn't be growing as fast as we are if we weren't. Just the car show alone, we had several want to join our club. They know when they see a good thing. We have been averaging a couple new members each meeting since January. Let's remember our new members when we see them at our club meeting and events and get to know them.

Don't forget, we have a picnic coming up and our autocross in June. We can always use help at our autocross. So come out and help us out. See Tom Reitz and let him know you would like to help.

***"We join for the cars, and we stay for the people."***

Bob Isermann,  
President

## **President's Remarks: Bob Isermann**

Looking back during April, we had several events that were available for all of us to participate in. There was the Mid-Missouri Car Show, Family Arena (Kids with Cancer), Picture and BBQ day that Poage put on for our club, and Warm Springs Ranch. It was a good time at each of the events. During May we have more fun times coming our way. I will leave this up to Detta to tell us about the events.

A big thank you goes out to Joel for putting on the Picture and BBQ event at Poage! The feedback I received has been extremely positive. This was a first for our club. The food was very good and watching the picture taking was impressive. I think Joel went home pretty tired that night. He was working hard getting cars ready for the pictures.

It's hard to believe it is May already! You know what that means, it's our club's CAR SHOW!! Let's have a great turnout! Get your applications in and shine up your cars and have them ready to show on May 18! We have some new ideas, and of course, it will be a fun day. Just pray for good weather!!

One event that doesn't show on our calendar is Mother's Day. So don't forget this special day. Happy Mother's Day to all the Mother's, Grandmothers, and every person that has a mother's role in our club and to extended families. I hope everyone has a great day.

Let's have a good meeting!

## AUTOCROSS

We are On Pace, but still need lots of help on the days of the events, June 29<sup>th</sup> and 30<sup>th</sup>. A flyer was in the April newsletter. Two worker sign up sheets going around the meeting, one for Saturday June 29<sup>th</sup> and one for Sunday June 30<sup>th</sup>. The current lead persons are: Sean Leary for Corner workers, Chris Reitz for Registration, Shelly Gracey for Starting and Staging, Brian Kleemeyer for Tech inspection, Ron and Detta Nelson for food and Me, Tom Reitz for everything else, set-up, tear down, etc.

I have Shelly Gracey bringing one gas powered blower to the track Friday afternoon to clean the track. If anyone else has a gas powered blower and time available on Friday about 3:30 to help blow off the track, it would be appreciated. I plan to be done and gone by 5:30 pm Friday afternoon (Barring an event at the arena that day).

# Governor's Report

## Continued

Autocross is a rain or shine event. We do have indoor restrooms with A/C, and we will plan a location for dinner on Saturday evening for entrants and workers. All workers will receive an event T-shirt.

Workers typically need to be at the arena by 7:45 am and we intend to be fully completed by 4:00 pm on Saturday and 3:00 pm on Sunday. If you work, you may leave at any time (please notify someone if you are leaving). Partial day working is 100% O.K.

All workers, entrants, and spectators MUST sign the waiver. We have a specific waiver form for minors (under 18 years old) which must also be signed by ONE parent or legal guardian. Waivers will be either at the Registration table or at the food tent.

Please bring a two-way FRS radio if you intend to work. We use channel 6 (no sub-channel) for on course and staging activities. The club has about a dozen loaner radio's if you do not have one.

This is an important event for our club. It raises money that is used for club operations and is not earmarked for any charitable donation.
