PRESIDENT'S LETTER

November 2019

As you all know, November is the month for our club to vote in new officers. I am happy to announce that the following changes will take place in 2020. I thank you all for stepping up to continue in keeping our club strong and vibrant as all the club officers have done before you.

President	Bill Mitchell
Vice President	Jeff Schweikert
Secretary	Kay Bedwell
Board Member	Lynda Rothweil

I want to also thank the following members for your leadership and all you have done for our club in 2019. As you can see, a couple of the following members has moved up in positions from 2019.

Vice President	Bill Mitchell
Secretary	Jeff Schweikert
Board Member	Harold Loyd

It takes an active leadership role for any club to keep it growing where others would like to join in due to the reputation of the club. I firmly believe that the new officers taking over in 2020; this will be accomplished.

Here are a few reminders for November. This Sunday, November 17, we have the procession for Alec. Greg Fultz, thanks for putting this together for us. On November 24, there is the MO Botanical Garden Christmas Garden Glow. Nancy Streib did a great job of putting this together for us. Then on December 7, our club Christmas Party. It looks like we have a very good turnout for this. I hope to see you all there.

Of course, November means Thanksgiving! We all have a lot to be thankful for. Barb and I wish you and your families a Happy Thanksgiving.

Signing Off
Bob

President's Remarks: Bob Isermann

What an October! We had many choices. We had the Fort Zumwalt Homecoming Parade (well "I" had fun) ha, a fall run to the Chili Cook-Off, a trip up to Hannibal for lunch at Fiddlestiks, and how about the run to NCM in Bowling Green, KY? It was a busy month, but we sure enjoyed it all.

Since this is our last meeting of the year, let's get into the month of November and December. We sure had a fun start in November by having a great Bonfire get together. Thank you, Jim and Judy Brady, for inviting the club to your home. We all had a great time. We have an excellent event coming up on November 24, at the Botanical Garden Christmas Garden Glow, thanks to Nancy Streib, and of course, our Christmas party on December 7, that Detta is making it all happen. You will hear about this later in the meeting.

It's hard to believe this is my last meeting as President. I will say, the previous two years sure went fast, and I enjoyed it all. I tried my best to make our club the best club around, and from a 39% increase in membership in 2019 and starting with a total of 120+ members in 2020, we are all doing something right. This is a record number for beginning a new year. It goes to show, our club is active and continues to attract new members. I strived to have many events that our members could choose from, to enjoy each other's company and our cars. Whether it's touring a police station, taking in the Black Hills of South Dakota, visiting the FAA Approach Control Facilities, and many events in between, we always have a good time. We also have the best car show each year. Two this year. We have never done that before, and of course, we have the best autocross anywhere around. All of what I mentioned could not have been done without the great members of our club. A goal I had for 2019, was to bring our club into the 21 century. Again, we had the right talent that could make it happen. Today we are using credit cards online and in person, and we have gone paperless at our car show by using our cell phones when judging cars. The most important thing is to tap into the talented resources we have in our club. Speaking of talent, look at the awards we received for our banner at the NCM and our club website. If I start naming names, I know I would leave someone out.

Thank you to the staff that worked with me over the past two years and to every club member that made it all fun and worthwhile. You guys are the best!

Thought of the Day...

A quarrel between friends, when made up, adds a new tie to friendship.

Tips for a Life Time:

People care about you, not your success.

Let's be honest. People don't care about the expensive clothes you wear, how big is the house you own or the car your drive. That's not to say that they don't respect your achievements or possessions. Instead, they care you as an individual and they'll support you no matter what -- because they love you. Believe it!
