PRESIDENT'S LETTER

September 2019

Hello Everyone!

It's hard to believe we are moving quickly through September. Our club sure has been busy with all the various events scheduled. Take a look at the club calendar and you will find some fun activities coming our way. I will be sending out emails reminding you of them as they get closer.

Since I am writing this on Saturday night, September 14, after our Poker Run and Car Show, I have to reflect on the day. As you all know, this was the first-ever, all car event that our club put on. What a great day it was. Everything was working like clockwork. It started at Wings of Hope and ended at the Poage. Several members of our club made this all possible. Our leadership team of Orville, Sean, Lynda, and Joel did an outstanding job bringing an idea that was brought up several months ago to a reality. Many other members volunteered their time, as well. Each of you will be recognized in our October meeting. Great job! By the way, we even picked up a new member at the car show. He is a pilot who flies out of Spirt. Super nice guy.

I need to mention this once again, let's not forget PalPax. What a great event that gave kids food to eat when they may not have had any. A big thank you goes out to Lynda Rothweil and the many St. Louis based American Airline Flight Attendants for making this all possible.

We have a great club with many that work hard to make us a premier club! I appreciate every member for making the Route 66 Corvette Club what it is today!

"We join for the cars, and we stay for the people."

Bob Isermann,
President

The September 2019 meeting was called to order by President, Bob Isermann at 7:03 pm

Introduction of Officers:

President: Bob Isermann

Vice President: Bill Mitchell

Secretary: Jeff Schweikert

Treasurer: Rich Weinhold

Governor: Tom Reitz

Auditor: Kevin Ryan

Directors: Sean Leary

Harold Lloyd

Detta Nelson

Past President: Ron Nelson

President's Remarks: Bob Isermann

Well, summer is over, but our club still has many activities to choose from throughout September and into October. So, take time and review our club calendar for the upcoming events.

Our club did a great thing this month. We took over 2,334 food times to the Winfield R-4 School District for our PalPax Program. The people that we met in Winfield were sure excited to receive all the food items we had for them. They even had a reporter from the Lincoln County Journal there to cover the event. Special recognition to Lynda for coming up with the whole idea and a special thanks to all the St. Louis Flight Attendants! Also, a big thanks for all those that volunteered to drive up Winfield and make the delivery.

Last month we all had a great time visiting the O'Fallon Police Department, the Hannibal Car Show, Boone Trail Car Show, and the Gateway Speedway. During the meeting, you will hear of some opportunities to get involved with events coming our way this month. One, in particular, is our first Poker Run and Car Show for all makes and models. There is a group that has been working hard to make this a success, led by Orville, Sean, Lynda, Joel, and many other members.

Let's have a good meeting and welcome to all those that are visiting us tonight.

Membership Anniversaries:

7 Years – Ron & Detta Nelson

3 Years – Orville & Camille Caupp
Matt Miller

2 Years – Bob Brady
George Kimble

1 Year – Glenn & Donna Donaldson
Jason & Kay Luebcke
Kyriaki Thimiogianis

Organizations team up and work together to collect food for Pal Packs

By **NICK SKODA**
STAFF WRITER

The Route 66 Corvette Club, area flight attendants and Winfield schools have teamed up to collect a plethora of food for children that might not have food available to them on weekends.

All of the food was collected and brought, by Corvettes, to First Baptist Church of Winfield.

"They did a terrific job," Bob Isermann said. Isermann is the president of the Route 66 Corvette Club.

His organization

donates to Pal Packs monthly but getting the flight attendants on board has made a big difference.

"This is the first time we have done something this big. We have always just done it through our club meetings. Lynda came up with the idea to put it out to the American Airline flight attendants and over a whole month, they just kept donating and she kept collecting," Isermann said.

The Lynda that he is referring to is Lynda Rothwell, a flight attendant with American Airlines.

"All of this donation is from the St. Louis based flight attendants from American Airlines. We all got together, I believe there are 210 of us right now, and we collected all of this throughout the month," Rothwell said.

The groups working together were able to collect 2,334 individual servings of meal items, snacks and drinks: more than they've ever had the resources to collect in the past.

All of the food that was collected will be donated to Pal Packs.

"Pal Packs is an

PAL PACKS

From Page 1A

organization that collects food for kids to eat over the weekends. Our club donates every month, but Lynda challenged the fellow flight attendants to do this so we have a lot to bring out this month." Detta Nelson of the Route 66 Corvette Club said.

Rothwell said that her

and her fellow flight attendants are looking to do this every year.

Winfield Primary School Principal Erica Dixon and Winfield Intermediate School Principal Jeff Schultz were at the event as well to show their appreciation.

"Honestly this means everything to some kids. You have kids going

home and don't have access to food so it's a big deal for them to know that they are going to have access to food over a weekend, you can't overstate it quite honestly, the importance of it for these kids to have that safety and security, knowing they are going to have breakfast in the morning for example. It's a big deal," said Schultz.
