Presentation to the USO: President Ron Nelson asks our USO MO representative John Buehrle to the front for the presentation of our donation.

Bob Isermann presents Mr. Buehrle with a donation check. This is the amount earned from our Route 66 Car Show. (Bob I asks Mr. Buehrle for flag that he has read about for a donation. Mr. Buehrle will see that we get that.) Mr. Buehrle is thrilled with the donation and explains how the money will be used. Recently 580 recruits came through the USO (Lambert Field) and lots of food was consumed. Food, utilities, mobile units for events, and other needs will make good use of this donation. This USO is the only USO in the state of Missouri and it serves 4 counties in Illinois. The funds not only help soldiers, but their families as well. Detta Nelson gave a personal account of family members receiving help from the USO.

Museum Trip, July 28-30, 2016 will be discussed by Bob Isermann. The museum trip team includes:

Bob Isermann

John Heidenreich

Mike Spathelf

Les Waganer

Mary Morak

The planners have included rest stops and trip coordination for attendee's convenience.

Mike S. states that you will need to register online for a badge, lunch choice and tickets for the plant and museum tour. If you have not received your e-mail, please give Mike S. your information.

Bob I. reminds the group that the team has provided stops going home as well. Although he realizes some will return home on their own. GM workers are wearing red shirts in support of our troops. It would be nice if we could do the same. Reminder the GM plant tour requires the wearing of closed toe and heel shoes. Those not complying will not be able to do the tour. They will see the movie and then be asked to wait it out for the tour to end.

The Waganer's remind us to watch out for each other as they caravan to and from Bowling Green, KY.

Rich Weinhold has an idea for a road trip to Hermann, but not a winery. The Deirberg Family owns a farm in Hermann and it open for tour. Their farm includes many animals and old buildings. The tour is on a 50 passenger tram with an admission fee of \$18.00 per person. He is looking at a date in late September or early October. Interest by a show of hands. About 20 interested.

Bob Isermann offers some information for the Vette's on the River Car Show in LeClair, IA. The hotel with the best rate is in nearby Davenport, IA. Dates for the show are August 26-28.

Chris Reitz states that all NCCC members receive a discount at Choice Hotels. See the NCCC website for discount information.
