PRESIDENT'S LETTER

November 2020

It was wonderful to see so many of our members at our last official meeting of 2020. To say that this has been a crazy and frustrated year would be an understatement. However, I believe that we endured and overcame the adversities associated with Covid-19.

Like you, I am looking forward to a more peaceful and joyful 2021 where we can enjoy our families, friends and club members.

I'm excited about the future of our club, the growth we are experiencing, the plans being developed for our car show and autocross plus the wide variety of social activities for 2021. It's my hope that many of you will decide to volunteer to help in one of our many committees next year, it's fun, rewarding and builds a stronger club atmosphere.

Lastly, as you know we will be holding our annual Christmas party on December 5th at Old Hickory Golf Club. The cost is \$30 per person which pays for dinner, the band and refreshments. It's a wonderful event and the last time in 2020 that we can all get together to enjoy a time of fun with others from our club. I hope to see you there, in the meantime please stay safe and healthy.

- **Trailer Update:**
 - The trailer inventory was conducted October 3, 2020. The contents insurance was approved at the October meeting and has been purchased for an annual cost of \$157 for \$7,000 replacement cost coverage. The insurance took effect October 28, 2020.
 - In the future, I expect to ask for some maintenance updates to the trailer which is now 11 years old. At a minimum we need to have a spare tire and wheel. If we do not replace all 4 tires, we will keep the best one for a spare on a new wheel. Tires are showing signs of dry rot and D.O.T. recommends tires only be used for 6 years from date of manufacture. I will get pricing and options sometime next year.
- **Technical:** Nothing to report

Dear Route 66 Corvette Club,

The USO of Missouri is honored to receive your generous donation to help our work with U.S. active duty service members and their families. You can be assured the \$100.00 will be put to good use.

Each month this independent, non-profit charity reaches 15,000 men and women in uniform and their family members. Sometimes they are traveling through St. Louis's Lambert Airport and find a welcoming USO center at each terminal where they can put up their feet and relax. Our facility at Ft. Leonard Wood offers a respite from basic training for thousands of recruits each year as well as family friendly recreation for military members stationed there.

One military family from Ft. Campbell, KY wound up spending New Year's Eve last year at our airport USO center. One parent wrote: "Everyone was so courteous, kind and helpful. They even had hats, sparkling cider and horns to ring in the New Year which my daughters all enjoyed! Thank you for all you do for the military and dependents! We appreciate you so much."

Our volunteers enjoy those times too. Some travel across Southern Illinois and as far west as Kansas City with The USO of Missouri's two mobile units. You can find them serving at Scott Air Force Base and Whiteman Air Force Base or helping National Guard and Reserve Units mark deployments and celebrate members returning home from overseas service.

We are committed to keeping America's service members connected to family, home and country. We thank you for helping us succeed in our mission.

Always By Their Side,

Amanda Schmidt
Executive Director

Committee Reports

Social: Bob Isermann

- We have managed to have some social activities during this strange time, with Road Runs.
- Thanks to Mike and Jan Spathelf for another fantastic trip to the National Corvette Museum in Bowling Green, KY. They were able to switch the trip up, so it is never the same. We visited an old car museum in Elizabethtown, KY, had a tour of the Museum with Mike as our guide. This personalized tour was more informative than any other tour has been. We visited the Aviation Museum and it too was a different tour.
- Mike Hicks has kept us busy as well with Road Runs. Our Corvettes loved the twisty roads, the drivers and passengers loved the beautiful fall scenery. We separated for lunch at many restaurants in town, then made our own way home.
- We have a Missouri Botanical Garden, Garden Glow scheduled on November 22nd. More info to follow.
- We hope to keep busy with more road runs that Mike Hicks has in his pocket!!
- The Christmas Party is December 5th and it will just be for Christmas. We will have the Anniversary Party at a later date.

Dear Route 66 Corvette Club,

Thank you for your generous donation of \$200.00. Fulfilling our mission begins with the passion of the people who join us in the fight against pulmonary hypertension. That's you!

Your support makes it possible for the Pulmonary Hypertension Association (PHA) to meet the needs of our community while working to change the future of pulmonary hypertension.

PHA is dedicated to bringing hope to those who suffer from this chronic disease. With support like yours, PHA offers an array of critical support to patients and their caregivers – education; face-to-face, online, and telephone support; website resources and numerous publications; and networking and educational opportunities for medical professionals, including our biennial International Conference and Scientific Sessions.

These programs, as well as countless others, would not be possible without your support. On behalf of the entire PHA community, thank you.

Warmest thanks,

Azalea Candelaria

Route 66 Corvette Club Run

Submitted by Bob Isermann

The photos below were taken during the Route 66 Corvette Club run from St. Charles, MO to Litchfield, IL, to take in the Litchfield Museum and Route 66 Welcome Center. We made various stops along the way, and of course, always taking pictures. We had a great time walking through the museum. The two ladies that work there were extremely nice and helpful. I would suggest that people take in Litchfield and the museum. Then walk across the street to the Ariston for great food.

Our club will be making another trip up to Litchfield and further up Route 66 next spring. Of course, we took the old Route 66 highway up. How could a corvette club, called Route 66 Corvette Club, not take runs on the old Route 66.....

NCCC STUFF

- Up-coming events: The November Governors Meeting was canceled. The Midwest Region Governors Meeting is this Saturday and will be virtual, it is also our sanction meeting for 2021 competition. Renewals for NCCC were processed and paid on 11/1/20 for the year 2021.

AUTOCROSS

- Planned date for 2021 autocross is October 2-3, 2021.
- LOCATION: St. Charles County Airport, "Smartt Field", 6390 Grafton Ferry Rd, Portage Des Sioux, MO 63373. This is about 9 miles North on Hwy 94 from Fastlane Classic Cars at I-370 & Hwy-94 turn left on Grafton Ferry Rd (airport sign is present) and airport is on right, park in front of St. Charles County signed building.
- I feel we can only successfully do 12 events in the weekend, which would be 7 on Saturday and 5 on Sunday. Reason being timing of sending cars and getting done in reasonable time frame.
- I have no idea what to expect in terms of driver participation next year, I am assuming it will be lower than historical averages.
- Saint Louis Corvette Club has agreed to sell us 2 sanctions we need for \$50 each.
