President's Message

April 2021

Well, its been a great start to Spring, our April club meeting had a whopping 60 members show up and enjoy the social friendships that was missed in 2020.

In addition our club continues to grow with new members who are excited to get involved with the many activities we have planned for 2021. Our social calendar is full and our birthday bashes have been extremely popular with our members as well.

Leo and his car show committee are working hard to insure that this years car show is successful and profitable for the USO. Once again I would like to encourage you to sign up and show your car at the event or provide a donation via our club for the USO. Our club has donated over \$45,000 to the USO over the years due to the generosity and hard work of our club members.

Please continue to review our club calendar on our web page for information on social events that may interest you.

Enjoy this beautiful spring, your family, friends and of course your corvettes.
