President's Message

July 2021

Well it's hard to believe we are already in the middle of July and the start of school is just around the corner. It's wonderful to see so many of our club members attending our monthly meetings and participating in our social events. The O'Fallon 4th of July parade was a great success both for the city and our club. We had over 14 cars in the parade and it was nice to see the patriotism and the huge crowd.

Our membership continues to grow and we are approaching 150 total members with so many stepping up and helping our club.

In the coming months our social events will continue to be wide-ranging and fun with plans to have a combined annual picnic and 21st anniversary party.

I want to thank all of you for the support and loyalty shown to our club, because of your efforts the Route 66 Corvette Club's future has never been brighter. I'm looking forward to seeing you at our meetings and social gatherings, have a fun and safe rest of the summer.

Presidents Opening Remarks:

It has been brought to our attention with a small issue at Shirt Kong. A member took a hat to them and was told they only do multiples not just one. This issue was resolved, and Shirt Kong apologized for the mistake. They have been embroidering our logo on outside purchased hats and shirts, but due to the possibility of an error, they cannot replace such items. It is recommended that you purchase such items from them. Although outside items can be embroidered, just know if an error would occur, the item could not be replaced.

On another note, sometimes in the past, after the meeting some bills remain unpaid. From now on your name will be on the ticket to prevent such errors.
