President's Message

Hello everyone, I hope all of you had a blessed Thanksgiving. The Christmas season is now here and its a wonderful time to not only reflect on the true meaning of the holiday but to spend time with loved ones and friends.

Our Christmas party was recently held and many of you had the opportunity to enjoy club friends, delicious food, desserts, music and dancing. It was also a time to celebrate another year in which we had record membership, fantastic social activities and raised a record amount of money for the Missouri USO. This all was accomplished because of your commitment and loyalty to our club.

Beginning in January our club will have a new President, Don Lorimier. Don will continue to move this club forward and will be an excellent leader.

As I step down as President, I want to thank all of you for your friendship, support and help during the three years I had the privilege to serve as President of this outstanding club. For the next two years I hope I can continue to contribute as an active board member.

Thank you again and I wish all of you a happy and blessed Christmas season.

Timeless Quotes from Ancient Greek Philosophers...

- ON FRIENDSHIP
 - Of all the means which wisdom acquires to ensure happiness throughout the whole of life, by far the most important is friendship. – Epicurus
- ON LIVING WITH LOVE
 - Neither family, nor privilege, nor wealth, nor anything but Love can light that beacon which a man must steer by when he sets out to live the better life. – Plato
- ON PATIENCE
 - No thing great is created suddenly, any more than a bunch of grapes or a fig. If you tell me that you desire a fig, I answer you that there must be time. Let it first blossom, then bear fruit, then ripen. – Epictetus

More Wisdom:

- Tomorrow is the most important thing in life. It hopes we've learned something from yesterday. – John Wayne
