President's Message

November

President's Message

The weather is changing, the clocks have been set back, leaves are turning colors, and we all look forward to spending time this coming holiday season with family and friends.

Be sure and take time to give thanks for all that you have been given this year. That includes the great friendships among our membership. We have accomplished quite a bit this year.

Our club continues to grow with new members, we were able to provide a sizeable check to the USO of Missouri to show our appreciation for the men and women in uniform and we began a wonderful partnership with the Weekend Hunger Project that provides much needed nourishment for young students that may not have had an opportunity to enjoy a meal during a weekend period.

I encourage each of you to "Pay it Forward" in your own individual way. Please remember, our club is gathering toy donations between now and our Christmas party, to deliver to the Toys For Tots drive here in St. Louis.

Mark your calendar to join us at Old Hickory GC on Saturday; December 2 at 6PM for our annual Rt 66 CC Christmas Party.

Best Regards

Don

NCM Updates –

- Corvette VIN 001 was written about in Sports Car Magazine - VIN 001 was at the Museum for a few days and it is now gone. A number of knowledgeable experts were able to view the car, and all agreed that it was VIN 001 based on the location of the steering wheel and the driver's seat as the car needed to be modified to fit the corporate executive that had authorized its production.
- Mo / Kan Caravan Update
 - Aug 28, 29, 30, 2024
 - Caravan Rooms _ Cape Girardeau, MO
 - Corvette Caravan registration is open now. 600+ have already signed up.
 - To get more info and to register: <https://www.corvettemuseum.org/caravan/>
 - See ad on the next page.
- Raffles – 4 right now
- Check out auto insurance at NCM. Agreed value for collectors' cars is cheaper than regular insurance.

Rules & Regulations Committee: Lynda Rothweil

A Modification to the By-laws has been proposed:

- Section 5 – Nominations and Elections
 - Add two subsections:
 - 5.7 If all candidates running for positions are unopposed in the November annual Club election, a secret ballot will not be conducted. The election will be completed by a motion and members will approve the unopposed candidates with a show of hands at the November meeting.
 - 5.8 The nomination process to select members for the open positions in the annual November Club election will close at the end of the October Club meeting.
- The vote to Approve these changes will be held at the January Meeting
- If even one position has multiple candidates, all of the voting will be by secret ballot.

Website & Graphics: Joe Anelle

- The website is updated with the latest newsletters and road run photos.
- Joe will update the club car photos soon.
- A Website Committee meeting will be held Nov 9th. Contact Joe if you want to help out.
- The NCM Banner cost is going up – the club needs to decide now whether to do it or not since we do not have a December meeting. The cost is due to be paid in January.
- A motion was made to get the banner and not to exceed \$700. Seconded by Bob Lamb. The members in attendance approved.
- As a reminder the banner will once again be auctioned off at a meeting next year – 2025. The 2023 banner will be auctioned in 2024.

President

Lt. Hon. J.D. Crouch II
CEO & President

Dear Friend of the USO:

As CEO & President of the USO, I want to thank you for your recent gift. As you know, the USO is not a government agency; we rely on the generosity of caring individuals like you. Without your help, we would not be able to provide our urgently needed services to America's troops overseas... to our wounded warriors here at home... and to their families, as well.

Roughly 200,000 troops are defending our freedom overseas; many have had their tours of duty extended, long after they thought they'd be safe at home. Thousands more of our fighting forces have been wounded in dangerous ambushes, missile attacks or rocket fire. They must fight a very different battle, as they strive to return either to active duty or to active life after the military. Yet all these heroic men and women remain dedicated, loyal and faithful... and deserving of all the assistance we can give them.

I wish you could see firsthand the magic your gifts can help us create... the relief on the face of an exhausted soldier as she finds a USO center in a strange airport... the grin of a recovering Marine as he enjoys a cookout with his family at one of our USO Warrior and Family Centers... the feeling that comes from a cold soda on a hot day in the desert, served with a friendly smile and an encouraging word... And nothing compares to the sound of a child's voice when Mommy or Daddy calls home when they're a world apart.

You have done a great deal to help the USO reach our men and women fighting around the world... and the wounded heroes facing a long and hard road to rehabilitation and recovery. Our service members continue to inspire us with their courage, determination and fortitude.

For all of us at the USO, and for our troops and wounded heroes everywhere, we thank you for your generosity.

With my warm and heartfelt gratitude,

A handwritten signature in dark ink, appearing to read "J.D. Crouch II", is written over a horizontal line. The signature is fluid and cursive, with a large "J" and a prominent "II" at the end.

J.D. Crouch II

PS: Thank you for your support of USO Missouri. I've enclosed a Gift Acknowledgement for your recent donation.
